Sir:

This communication is responsive to the Notice Regarding Drawings dated December 29, 2004, concerning the above-referenced patent application. In the Notice, figure 1 and figure 9 were objected to by the Draftsperson. The date for responding to the Notice Regarding Drawings is set to expire on February 28, 2005, therefore, Applicant believes this response is timely. Applicant believes no fee is required for this submission, however, the Commissioner is hereby authorized to charge any fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17 to Deposit Account No. 50-2350. A duplicate copy of this Response is included for this purpose.

Amendments to the Drawings begin on page 3 of this document, and include an attached replacement drawing sheet and an annotated sheet showing changes.

Amendments to the Drawings:

The drawing sheets attached in connection with the above-identified application containing figure 1a, figure 1b, and figure 9 are being presented as new formal drawing sheets to be substituted for the previously submitted drawing sheets. Drawing figures 1a, 1b, and 9 have been corrected. The corrections consist solely of cleaning up the drawings so that the numbers and references characters are plain and legible, labeling the pages of figure 9 after the title page Figure 9 (continued), and changing the margins so that they satisfy 37 C.F.R. § 1.84(g).
